Business Account Registration Form

THIS IS NOT A CONTRACT. BY FILLING OUT THIS FORM, YOU ARE NOT OBLIGATED TO PURCHASE ANY PRODUCTS OR SERVICES. IN ADDITION THERE ARE NO FEES ASSOCIATED WITH THIS DOCUMENT. THIS DOCUMENT IS FOR IDR'S INTERNAL BUSINESS PURPOSES ONLY. By filling out this form you are registering your company for an IDR business account. All business accounts qualify for discounts on all products and services that IDR provides to our clients. Exclusions include those items which are considered an Exceptional Value. Our product specialist team works closely with the manufacturers to ensure that we are providing our clients with reduced pricing on all products. Discounts may vary depending on the product or service being purchased and may range up to 20%. You will receive an account number within 24 hours of submitting this registration form, and you are encouraged to share the account with your employees as a perk of being employed by your company. Your discount may be used by contacting IDR directly via phone.

This Section Applies to the owner only:

Only employees of your firm and their immediate family can earn discounts with IDR. At IDR we take care of our business clients, as we consider our business clients to be our most valued point of interest. Additional discounts may apply for certain items that the employer purchases. You will enjoy the benefit of working directly with your own personal Business Account Manager. You should contact this Agent whenever you are interested in making a purchase to find out if the specific product(s) you are interested in qualify for additional savings.

As an additional perk of the IDR business account, you will receive bulk order discounts. Please note that the more business IDR does with your company, the better the savings will become. That is why you should encourage your employees to shop with IDR; in some cases business account employers may receive free products and or services.
